The Workplace Team tailors services and training to meet the needs of workplaces and encourages organisations to share practice through a variety of ways.

The Team supports employers develop and share good practice by providing opportunities for workplaces to get together, such as:

- joint programmes for neighbouring employers
- Fife HR peer support network for SMEs
- Fife workplace Occupational Health support network
- workshops and events
- newsletter.

## Comments

*"Unlike other sources of advice or support, the Workplace Team provide unbiased, free advice with no hidden agenda".*

*"The advisers we met were great, they had a low key approach to getting their knowledge across and it was clear right from the start that they were able to provide the type of advice that we would've had to pay for elsewhere".*

*"We couldn't wait to tell you our amazing news on the Accreditation. Eventually with your wonderful mentoring we have managed to get the (Acclaim Accreditation, Construction Line) 'Gold Medal'. Can't thank you enough... no way we would have done this on our own".*

# Good Work for All

Good work provides the opportunity for employers to support the Scottish population achieve a decent income, widen social networks and give people purpose. The health benefits of good work extend beyond working age adults and on to their family. Good work also decreases the risk of poor mental health. Key features of good work are achieved through autonomy, fair pay, work life balance, opportunities for progression and the absence of bullying and harassment<sup>2</sup>.
