# Report of the Trustees for the Year Ended 31 March 2021

The Trustees present their Report, together with the accounts for the year ended 31 March 2021. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) amended for accounting periods commencing 1 January 2019 (SORP 2019).

### **Objectives and Activities**

The Endowment Fund, operating as Fife Health Charity, exists for the benefit of the patients in Fife, the staff of NHS Fife and the staff and students of the former Fife College of Nursing, now Dundee University School of Nursing and Midwifery. There are numerous funds within the overall Fund, some are for specific purposes and certain funds are held for individual wards and departments. There are no specific restrictions on the General Funds held by the Board other than the principle of providing for the benefit of patients and staff. All Executive and Non-Executive Directors of the NHS Board are Trustees of Fife Health Charity which is administered separately from NHS funding from the Scottish Government and Commercial income and used for improvements in patient care, research, and improvements in patient and staff welfare. There have been no changes in objectives since the last annual report.

#### Achievements and Performance

#### **Business Review**

The overall purpose of Fife Health Charity is the enhancement of healthcare and patient welfare in Fife. The Trustees adopt the NHS Fife Code of Corporate Governance including Standing Financial Instructions and Scheme of Delegation as the framework for financial governance of the charity. In addition the NHS Fife Financial Operating Procedures provide information on the overall management of the Charity and includes how funds can be used. In line with the Constitution, expenditure on projects over £10,000 is considered by the Board of Trustees. Trustees actively encourage Fund Managers to utilise the funds that they manage for the benefit of patients and staff appropriately. This was enhanced in 2019-20 with the introduction of the Small Grants 2020 programme, which was administered throughout 2020-21. The Board of Trustees is supported by a Sub Committee, with a range of delegated functions including the monitoring of income, expenditure and investment performance.

Fife Health Charity is subject to consolidation with NHS Fife Exchequer.

#### **Achievements**

April 2020 was the start of a year like no other. Lockdown in the UK, due to the COVID-19 pandemic had just begun. The focus of the Charity very quickly turned to supporting patients and staff with the impacts of the pandemic. This remained the priority for the whole financial year.

The Charity was involved in managing the items donated to NHS Fife patients and staff. The kind public and local businesses gave generously and assisted in which ever ways they could. Donations ranged from PPE and snacks to hand cream and accommodation for staff who wished to isolate from their families. People also made scrubs and wash bags, rainbow stickers and painted stones to show their appreciation to NHS staff.

Monetary donations were also received. Many contributions had been generated through fundraising activities including children selling home baking, people shaving their hair off, groups selling crafted rainbows and an individual running 5k a day for a month in their back garden. An extremely generous gift of £750,000 was donated by a couple who wanted the money to be used to support patients and staff during the ongoing Covid19 crisis.

Fife Health Charity became a member of NHS Charities Together (NHSCT). The umbrella organisation was fundraising for NHS staff and patients throughout the UK. Their COVID-19 appeal raised over £150 million with the help of the amazing efforts of Captain Sir Tom Moore. During 2020 – 21 Fife received a total of £361,000 from NHSCT to help support patients and staff. Of this £152,000 was for stage 1 which was the urgent response to COVID-19 and £209,000 was for stage 3, to aid staff recovery.

In order to allocate the amazing donations received as a result of COVID-19 the Trustees established the COVID-19 Donation Sub Committee which could quickly make decisions on how these funds could be spent to ensure that they provided maximum impact when it was required. Suggestions for how the funds could be spent were encouraged from staff through the Bright Ideas scheme. It enabled staff to put forward their proposals for what was needed, by whom and where. The list of projects that have been funded by the COVID-19 Donations is detailed on the next page.

## Projects funded to reduce the impact of the COVID-19 pandemic:

Project	Cost	Status at March '21
Family Liasion Ipads for wards to enable patients to keep in touch with family and friends when visitors were not permitted	£47,000	Complete
Ipad carts which included headphone sockets, to hold ipads highlighting where the ipads were and ensuring they were charged. Carts are helpful for patients who struggle to hold the tablets.	£23,268	Complete
Personalised theatre hats enabling patients to know the name of the person behind all the PPE	£20,000	Complete
Magazine and puzzle books for patients when visitors were not permitted	£2,562	Complete
Interpreters on Wheels devices to enable patients to have access to interpreters online	£11,679	Complete
Donation to Blood Bikes Scotland towards their running costs as they have provided voluntary assistance taking Covid19 test samples to the laboratories.	£5,000	Complete
Wellness packs for all NHS Fife staff	£67,000	Complete
Donation to Maggie's Fife for the use of their centre as a staff wellbeing hub during the initial months of the pandemic	£10,000	Ongoing
Toiletries for patients when visiting was not permitted and the patients were not allowed to bring items into hospital with them	£22,000	Ongoing
Permanent Staff Wellbeing hubs in the following hospitals: Queen Margaret, Lynebank, Glenrothes, Whyteman's Brae, Cameron, Stratheden, Adamson, Randolph Wemyss, St Andrews	£281,500	Ongoing
Funding for creating a permanent staff wellbeing hub at Victoria hospital from a disused building	£200,000	Ongoing
Outdoor gyms in the grounds of both Lynebank and Stratheden hospitals	£80,000	Ongoing
A range of items for patients including TV's and radios for the wards, cd players, hair clippers, bereavement cards	£59,000	Ongoing
Equipping of and provisions for staff wellbeing hubs across hospital sites	£45,000	Ongoing
Staff seating outdoors across hospital sites to enable staff to get fresh air and eat outside, taking a break from the hospital environment.	£23,000	Ongoing
Secure bike storage and showering facilities for increased numbers of staff who are cycling	£24,000	Ongoing

Project	Cost	Status at March '21
Living Ceilings installed above 5 beds in ICU which create a virtual outside window that adjusts brightness and stimulus throughout the day	£40,000	Ongoing
Critical Care Roof garden	£150,000	Ongoing
Refreshments for staff in Vaccination centres	£50,000	Ongoing

Before the pandemic the rebranding of the Charity had been high up the agenda. As the end of the financial year approached Trustees once again turned their attention to this matter. In January the operational title of the organisation became Fife Health Charity. A new logo was adopted depicting a person wrapping their arms round in a caring manner to illustrate the caring nature of the charity.

The awarding of funds to projects as part of the Small Grant Programme 2020 was delayed due to the pandemic but in November 2020 a total of 43 projects received up to £5,000 in funding. Projects included making homely and comfortable spaces for patients, purchasing dementia dolls, providing cooking classes to aid recovery, creating a relaxing and safe space for dementia patients and providing nutrition education folders for care homes.

#### **Financial Review**

#### Income

During the year the value of donations, gifts and legacies totalled £1,609,000. Income from donations was £1,324,000 and income from legacies was £285,000. Investment income was £356,000 to provide a total income figure of £1,965,000.

This is a significant increase from the £985,000 received in 2019 - 20.

#### Expenditure

The total expenditure for the year was £ 1,100,000. The main focus for allocating funds has been to reduce the impact of the pandemic (see details below) although there have also been some projects supported from the general charitable funds such as the £200,000 Simulation Training Centre and a Mobile unit that will go into the communities and assist patients with issues such as the Sexual Diseases and Blood Borne Viruses Mobile Unit.

#### Plans for the Future

Trustees will be focusing on establishing the strategic aims of the Charity in 2021 as well as reviewing the governance arrangements.

During the year £763,000 of COVID-19 donations were allocated to projects. Some of these projects were also partially funded from the general charitable funds such as the Wellbeing hub for the Victoria site (total cost of £200,000) and the Roof Garden for Critical care (total cost of £150,000). These projects will be delivered in 2021 - 22.

The NHS Charities Together stage 3 funding will be spent over the coming years on permanent wellbeing hubs for NHS Fife staff (other than the Victoria hub). A total of £281,500 has been allocated for these projects which includes funding from general funds. The hubs will be created in all 10 hospitals across the region giving staff space to relax and recuperate from their working environment.

#### **Investments**

Investments are included in the financial statements at market value. The value of the portfolio has increased in the year. The fund had unrealised gains on the portfolio which amounted to £2,330,000 and realised gains on investments sold of £180,000.

The Trustees confirm that the assets are available and adequate to fulfil the objectives of the charity.

Trustees are reviewing options on the way forward in relation to the investment approach, including "positive screening" with companies who have direct links to the energy sector. Trustees expect to reach a decision on this during 2021/22.

#### **Principal Funding Sources**

The principal funding sources continued to be a combination of charitable donations received and dividends and interest received from the investment portfolio.

#### **Reserves Policy**

The Trustees are conscious of the need to hold reserves in order to be able to generate sufficient investment income to meet grant commitments each year. The Trustees believe that the current level of reserves is sufficient for this purpose but not excessive.

### Structure, Governance and Management

#### **Governing Document**

The Inland Revenue recognised the Endowment Fund as a "charity" for the purpose of Section 505, Income and Corporation Taxes Act 1988. The Endowment Funds are held on trust under Section 82 of the National Health Service (Scotland) Act 1978. In accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 the Fund is entitled to describe itself as a "Scottish Charity". The Scottish Charity number is SC011988. The Fife Health Board Endowment Fund operates as Fife Health Charity.

#### **Recruitment and Appointment of Trustees**

All appointed Board Members are automatically appointed as the Trustees of Fife Health Charity. The Trustees exercise power over investment decisions and ensure the appropriate use of funds through the Board of Trustees. The Board of Trustees is chaired by the Fife Health Board Chair and comprises all Fife Health Board Members. The Trustees express their grateful acknowledgement for the donations made by many individuals and organisations who, by gift, bequest or fundraising have contributed to these Funds.

#### **Trustee Induction and Training**

A Trustee Induction pack is issued to every new Trustee which includes information on the roles and responsibilities of a Trustee and others involved in the charity, the structures in place to distribute and manage funds as well as an introduction to charity governance. New Trustees meet with the Charity Manager and spend time learning about Fife Health Charity as well as receiving the pack.

#### Risk Management

A risk register has been created for the charity which includes potential risks and mitigating actions. It is regularly updated to ensure it remains current and is regularly highlighted to the Board of Trustees.

Significant external risks to funding have led to the appointment of professional advisers to oversee the management of the investments. Internal risks have been minimised by the introduction of financial controls on authorising of expenditure and strict budgetary control. All Trustees signed a mandate which states that they can act in an official capacity. In addition the Trustees have signed a "fit and proper persons" declaration to ensure that charity funds and tax reliefs are used only for charitable purposes.

#### **Investment Policy**

The investment portfolio is managed by Aberdeen Standard Capital. They provide regular reports to members of the Sub Committee providing professional advice and informing Trustees of current and future trends in the market. In managing the investments, Aberdeen Standard Capital reflects the Trustees' long-standing policy to exclude investment in companies directly involved in the tobacco, alcohol, armaments and predatory lending industries and to consider the appropriateness of investment in industries whose products have the potential to be detrimental to health, and the broader principle of Ethical Investment.

Trustees require an investment approach which seeks to achieve an optimal total return of capital growth and income over a period of time, based on a medium-high risk profile of investment across equities, bonds and cash. In respect of economic, social and governance factors, Trustees require investments to be limited to those acceptable under the Charities and Trustee Investment (Scotland) Act 2005.

Trustees accept the need for environmental, social and governance (ESG) issues to be taken seriously and reflected in where the Charity's assets may be invested.

The following investment restrictions have been agreed by Trustees, as they feel these would be in direct conflict with the Charity's objectives:

- Tobacco: No direct investment in tobacco production (i.e. exclude the tobacco sector)
- Alcohol: No direct investment in a company that manufactures alcoholic products
- Armaments: No direct investment in armaments (i.e. exclude the aerospace & defence sector)
- Predatory Lending: No direct investment in a company providing any pay day loan services.
- **Exploitative Practices**: No direct investment in companies that have severe or very severe controversies related to child labour within its own operations or within the supply chain. No direct investment in companies that have moderate, severe or very severe controversies related to the impact of a firm's operations on human rights.

It will therefore be reasonable for Trustees to exclude investments:

- that are obviously directly contrary to the Board's objectives;
- where failing to exclude would mean a financial loss, e.g. through a fall in the level of legacies and donations; and
- as long as the remaining portfolio is sufficiently diverse and robust to achieve satisfactory performance.

Trustees must at all times act in the best interests of the Fund, and not pursue their own ethical beliefs.

The Trustees agreed to the establishment of a sub-committee to give detailed consideration of investment policy and performance.

#### Reference and Administrative Information

The Trustees who served during the year were as follows: -

Chair Mrs T Marwick

#### Statement of Trustees Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources for that year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102)
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Statement of Disclosure to the Auditor

In so far as the Trustees are aware:

- there is no relevant audit information of which the charity's auditors is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Approved by the Board of Trustees and signed on its behalf by:

Tricia Marwick

Chair

Margo McGurk
Director of Finance

# Independent Auditor's Report to the Trustees of Fife Health Charity

#### **Opinion**

We have audited the financial statements of Fife Health Board Endowment Fund, operating as Fife Health Charity, (the 'charity') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021, and of its incoming
  resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements of the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Board's Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Board's Annual Report has been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit

#### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 14, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act and report in accordance with those Acts and relevant regulations made or having effect there under.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We obtained an understanding of the legal and regulatory frameworks within which the company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities and Trustees Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended), Taxation legislation and Money Laundering.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be the override of controls by management, existence and timing of recognition of income and posting of unusual journals. Our audit procedures to respond to these risks included:

- Enquiries of management about their own identification and assessment of the risks of irregularities.
- Sample testing on the posting of journals.
- Reviewing meeting minutes.
- Detailed substantive testing on the completeness of income.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

These inherent limitations are particularly significant in the case of misstatement resulting from fraud as this may involve sophisticated schemes designed to avoid detection, including deliberate failure to record transactions, collusion or the provision of intentional misrepresentations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <a href="https://www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of our auditor's report.

## Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

# Notes to the Accounts for the Year Ended 31 March 2021

#### 1. Accounting policies

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

#### (a) Basis of Preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) as amended for accounting periods commencing from 1 January 2019 - (Charities SORP (FRS 102), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity.

#### (b) Funds Structure

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

#### (c) Income Recognition

All incoming resources are recognised when the charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably.

#### (c) Income Recognition(continued)

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Board's Annual Report.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Investment income is earned through holding assets for investment purposes such as shares, and includes dividends and interest. Investment management costs incurred are shown separately as they can be measured reliably. Interest income is recognised using the effective interest method and dividend income is recognised as the charity's right to receive payment is established.

#### (d) Expenditure Recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is classified under the following activity headings:

- Cost of raising funds comprises the investment management costs.
- Expenditure on charitable activities comprises those costs incurred by the charity in the
  delivery of its activities and services for its beneficiaries, including the improvement of
  staff and patient welfare, and their associated support costs.
- Other expenditure (where relevant) comprises costs not falling into any other heading.

Where possible, expenses are attributed directly to the Fund to which they relate. Where this is not possible, they are apportioned on the basis of Fund size.

#### (e) Allocation of Support and Governance Costs

Support and governance costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include office costs, payroll and audit fees and are incurred directly in support of expenditure on the objects of the charity. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support and governance costs have been allocated are on a direct basis or as a proportion of time spent.

#### (f) VAT

Government departments including the NHS can recover VAT on contracted-out services provided the conditions on the refund schemes are met.

#### (g) Operating Leases

The total cost of assets held under operating leases is charged to the profit and loss account as they fall due.

#### (h) Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life.

The Fife Health Charity Art Collection is valued as per the details contained within the Board's Art Catalogue. Purchased or donated items in the art collection are not depreciated.

#### (i) Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the Statement of Financial Activities if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments, where applicable, are measured at cost less impairment.

Investments are apportioned to Funds based on the value of the Fund at the year end.

#### (j) Realised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

#### (k) Debtors

Trade and other debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any discounts due.

#### (I) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash and all amounts held within bank current and deposit accounts.

#### (m) Creditors and Provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts due.

#### (n) Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value. Investments in shares which can be publicly traded and be measured at fair value (market value).

#### 2. Taxation

As Fife Health Charity is recognised by HMRC as a charity, there is no liability to taxation.

#### 3. Auditor's remuneration

		2021	2020
		£'000	£'000
	Audit fees	10	9
4.	Income from donations and legacies		
		2021	2020
		£'000	£'000

Legacies 285 258

1,609 564

1,324

Income from donations and legacies was £1,609,000 (2020: £564,000) of which £443,000 (2020: £498,000) was attributable to restricted and £1,166,000 (2020: £66,000) was attributable to unrestricted funds.

#### 5. Investment income

Donations and gifts

	2021	2020
	£'000	£'000
Dividends received	356	411
Interest received		10
	356	421

Income from investments was £356,000 (2020: £421,000) of which £254,000 (2020: £304,000) was attributable to restricted and £102,000 (2020: £117,000) was attributable to unrestricted funds.

#### 6. Donated goods, facilities or services

The Charity benefits greatly from the involvement and support of its volunteers, details of which are given in the annual report. In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the accounts.

## 7. Analysis of expenditure on raising funds (Current Financial Year)

	Patient Welfare	Staff Welfare	College of Nursing	Total 2021	Total 2020
	£'000	£'000	£'000	£'000	£'000
Investment management costs	42	-	3	45	32
	42	-	3	45	32

### Analysis of expenditure on raising funds (Prior Financial Year)

	Patient Welfare	Staff Welfare	College of Nursing	Total 2020
	£′000	£'000	£'000	£′000
Investment management costs	30	-	2	32
_	30	-	2	32

Expenditure on raising funds was £45,000 (2020: £32,000) of which £32,000 (2020: £23,000) was attributable to restricted and £13,000 (2020: £9,000) was attributable to unrestricted funds.

#### 8. Analysis of expenditure on charitable activities (Current Financial Year)

	Patient Welfare	Staff Welfare	College of Nursing	Total 2021	Total 2020
	£'000	£'000	£'000	£'000	£'000
Salaries & Professional Fees	150	-	-	150	296
Administration Charges &	18	-	-	18	21
Supplies					
Property Development &	111	=	-	111	48

Property Development & Maintenance	48	-	-	48
Christmas Expenditure	27	21	-	48
Equipment	236	-	-	236
Functions & Conferences	96	-	-	96
Patient Activity	87	-	-	87
Governance costs (Note 9)	94	-	7	101
Support costs (Note 9)	9	-	-	9
	914	21	7	942

Expenditure on charitable activities was £1,055,000 (2020: £942,000) of which £429,000 (2020: £667,000) was attributable to restricted and £626,000 (2020: £275,000) was attributable to unrestricted funds.

#### 9. Analysis of governance and support costs (Current Financial Year)

The charity initially identifies the costs of its support functions. It then identifies those costs which relate to the governance function. Having identified its governance costs, the remaining support costs together with the governance costs are apportioned between its key charitable activities undertaken (see Note 8) in the year. Refer to the table below for the basis for apportionment and the analysis of support and governance costs.

	Basis of Apportionment	Support Costs	Governance Costs	Total 2021	Total 2020
		£′000	£'000	£'000	£'000
Recharge Of Relevant Salaries	Time spent	-	136	136	101
Audit Services	Direct cost	10	-	10	9
		10	136	146	110

#### Analysis of governance and support costs (Prior Financial Year)

	Basis of Apportionment	Support Costs	Governance Costs	Total <b>2020</b>
		£'000	£'000	£'000
Recharge Of Relevant Salaries	Time spent	-	101	101
Audit Services	Direct cost	9	-	9
	<u>-</u>	9	101	110

### 10. Analysis of staff costs and trustee and key management remuneration and expenses

Fife Health Charity has no employees, therefore no employee received emoluments in excess of £60,000 during the year (2020 – nil).

The recharge of relevant salaries included within Governance costs (Note 9) relate to the cost of NHS staff time spent administering Fife Health Charity. The cost relates to staff time recharged to the Charity, as the Charity itself has no employees.

The Charity considers its key management personnel comprise the Trustees.

#### 11. Tangible fixed assets

	Art Collection
	£'000
Cost or valuation	
At 1st April 2020	225
Revaluation	6
At 31st March 2021	231
Depreciation	
At 1st April 2020 and 31st March 2021	-
Net Book Value	
At 31st March 2020	225
At 31st March 2021	231

#### 12. Investments

2021	2020
£'000	£'000
10,835	12,423
2,528	12,870
(2,407)	(13,752)
180	216
2,330	(922)
13,466	10,835
11,676	9,283
1,790	1,552
13,466	10,835
	£'000  10,835 2,528 (2,407) 180 2,330  13,466  11,676 1,790

All investments are carried at their fair value. Investment in equities and fixed interest securities are all traded in quoted public markets, primarily the London Stock Exchange. Holdings in common investment funds, unit trusts and open-ended investment companies are at the bid price. The basis of fair value for quoted investments is equivalent to the market value, using the bid price. Asset sales and purchases are recognised at the date of trade at cost (that is their transaction value). Cash held within the investment portfolio is shown within "Cash at bank and in hand" and is therefore not included within the value of investments.

The significance of financial instruments to the ongoing financial sustainability of the charity is considered in the financial review and investment policy and performance sections of the Trustees Annual Report.
