

**STATEMENT ON THE SECURE HANDLING, USE, STORAGE AND RETENTION
OF DISCLOSURE INFORMATION**

1. NHS Fife complies fully with the Code of practice issued by Scottish Ministers, regarding the correct handling, holding and destroying of Disclosure information provided by Disclosure Scotland under Part V of the Police Act 1997, for the purposes of assessing applicants' suitability for positions of trust. It also complies fully with the Data Protection Act 1998 and other relevant legislation pertaining to the safehandling, use, storage, retention and disposal of Disclosure information.
2. We use Disclosure information only for the purpose for which it is has been provided. The information provided by an individual for a position within NHS Fife is not used or disclosed in a manner incompatible with the purpose. We process personal data only with the express consent of the individual. We notify the individual of any non-obvious use of the date including disclosure to a third party, identifying the Data Controller, the purpose for the processing, and any further relevant information.
3. NHS Fife recognises that, under section 124 of the Police Act 1997, it is a criminal offence to disclose disclosure information to an unauthorised person. We therefore only pass Disclosure information to those who are authorised in the course of their duties. NHS Fife will not disclose information provided under section 113B (5) of the Act, namely information, which is not included in the Disclosure to the applicant.
4. We do not keep Disclosure information on an individual's personal file. It is kept securely, in lockable, non-portable storage containers. Access to storage units is strictly controlled to authorised and named individuals, who are entitled to see such information in the course of their duties.
5. We do not keep Disclosures or Disclosure information for any longer than required after recruitment (or any other relevant) decision has been taken. In general, this is within 90 days. This will allow for the resolution of any disputes or complaints. Disclosure information will only be retained for longer than this period in exceptional circumstances and in consultation with Disclosure Scotland. The same conditions relating to secure storage and access will apply during any such period.
6. Once the retention period has elapsed, we will ensure that Disclosure information is immediately destroyed in a secure manner, following NHS Fifes procedure on the disposal of confidential waste. We will not retain any image or photocopy or any other form of the Disclosure information. We will, however, keep a secure database record of the date of issue of the Disclosure, the name of the subject, the Disclosure type, the position for which the Disclosure was requested, the unique reference number of the Disclosure and details of the recruitment decision taken.
